EDITORS NOTE:

Due to the large numbers of WINS, ACHIEVEMENTS etc. by all our members since our last newsletter and due to the lack of space in this newsletter I have elected to make as complete a list of " NEWS OF OUR MEMBERS " as possible in our next issue rather than print just a few now. To be sure I have all the news please let me know of any accomplishments achieved since the July '79 newsletter and I will check them against those I have. Hopefully, we will be able to set up a more efficient reporting system so that news of all our members is reported. Perhaps regional editors? I need and welcome your suggestions on any aspect of YOUR newsletter.

I would like to take this opportunity on behalf of all our Club Members to thank Peg Forte for her hard work, creativeness and time spent on our past newsletters. Peg will now be handling our membership so if you know of anyone interested in joining us please have them contact Peg. She will also continue as our Awards Person so she will be after you to report on all those Tracking Tests!

Our next newsletter will be published in MAY. Deadline for any newsworthy items to be included will be APRIL 30th. Please forward any news items to me.
