

# COMMON SCENTS

LENAPE TRACKING CLUB, INC.

JANUARY 1981

## FROM THE PRESIDENT'S DESK

We hope you all had an enjoyable Holiday Season and extend to you our Best Wishes for a Happy New Year! As we look forward to our activities in '81 we are reminded of our experiences this last year.....

The turnout for TRACKING EXPERIENCE DAY, which is the mainstay of our treasury as well as gaining us new members, once again demonstrated the need for this instruction. Our follow up practice sessions received enthusiastic, if not unanimous, participation from the beginners group. We learned a lot about the timing of these sessions and the areas of training that need to be reinforced. As long as we have lands to use and people to help we will continue with this training. Especially if we are to continue with the FALL CERTIFICATION MATCH. We need to produce the participants for this event by creating a "good learning situation" and follow up on the training with these new enthusiastic beginners. That is the reason for the Club. What better way to further tracking than by offering our time to help others learn? Your ANNUAL DINNER MEETING in March, the PICNIC in summer and the FALL GENERAL MEETING are occasions for all to get together for an exchange of ideas on tracking on all levels of experience. The fact that we have fun doing this shouldn't deter the serious trackers. We hope you will respond to requests for program ideas so these events will appeal to as many members as possible. An off shoot of all this "exchange of ideas" was the formation of the Lenape Scent Hurdle Team. It may not be tracking in the strictest form, but it brings people together, it's fun and you can't beat the publicity when your Club is represented in Philadelphia, Princeton or Allentown. We are certainly looking forward to your parti-

Wishing you Success in '81
