FROM THE PRESIDENT'S DESK

We are reminded, as we put the final touches on some of our 1981 events, that each year there are many jobs to fill. Volunteers are needed to help on an event by event scale, others are needed to fill annual jobs such as the newsletter or supervising the refreshment needs at our functions. Any talent or interest in helping in any capacity is always appreciated. Let me know by phone or mail where you think you can help.

You have seen by the Flyer recently sent you that all the arrangements have been made for the ANNUAL DINNER MEETING. As you've noticed, we are holding it on a Saturday evening this year so more of you will have an opportunity to attend. Also note the new location (Lebanon Township First Aid Squad Building, Hill Road, Lebanon, N.J.). An interesting evening is planned, but the most important ingredient for a fun time is ---YOU! See YOU on March 28th.

We also bring to your attention the Notice on our TRACKING EXPERIENCE DAY '81 -APRIL 4th. If you know of someone that could benefit from this seminar, please pass along the circular or ask Barbara Irwin to mail one direct. Incidentally, Barbara, as Chairperson, will need your HELP that day, so even if you are not entered please keep the date open. In fact, why not call Barbara now to say you are available for Duty on April 4th? Your support will also be needed for the follow-up practice sessions that were so meaningful last year.

Asking for help seems to be the "broken record" of all clubs and organizations. But you know? There is a way to mend that record!
