It is with great sorrow that we note the death of one of our original members, John Miktus. I did not have the privilege of knowing John as a close personal friend so I cannot write a detailed eulogy. John was generally a quiet man who always asked about your well being but rarely talked of his own although he was battling cancer for a number of years. We would hear that John was in the hospital but then he would be out again and putting another title on his dogs. He was the first Club member to earn a TDX and he did it in both the United States and Canada. I can remember when he was showing Gypsy to her UD. No matter what Gypsy did in the ring, John would remain cool, composed and smiling. I never heard him complain. He would always have an encouraging word for others and volunteered his assistance frequently. He was a man who quickly earned the respect of all who met him.

John, with his wife Florence, and shepherds, "Ebony" and "Gypsy", was a familiar sight at most Lenape functions. We extend our deepest sympathy to Florence and the canine companions. We hope we continue to see Florence and the "girls" at most Lenape events. John, we'll miss you.

FROM THE PRESIDENT'S DESK

Even though it was held on the hottest August 20th in the annals of the weather bureau, Lenape's picnic was well attended. We all enjoyed the hospitality of the MacKinnons, whose beautiful home and grounds are so ideal for such gatherings. It's always fun to see what Joanne and Ralph have remodeled or added to the estate from year to year. We certainly do appreciate their generosity in sharing their home with us. It's a lot of work to get everything set up, and this year it was really hot for the cook (Ralph) to stand over the fire. Thank you, Joanne and Ralph. Our thanks also to Russell MacKinnon, who so ably manages the items for the Chinese auction.

Our next event is a general membership meeting on Saturday, November 5th at the Lebanon Township Municipal Building in Lebanon Township. The following week-end we return to the same site for Lenape's Certification Match. You will find more information on both these events elsewhere in this Newsletter.

The heat and drought seem to have ended. One evening in August Philadelphia received 3/4 inch of rain while the New Hope area remained bone dry. That's been the story all summer. I finally washed both my cars on a Saturday and we had a shower on Sunday. Guess I should have washed the cars more often. With cooler weather we have no excuses, so let's fill the entries at the Match.

*Chesapeake Bay Retrievers have been busy this past year. Ch. Eastern Waters Break O'Day, started as a Special with Best of Breed at Bronx, Baltimore County, Bucks County and Delaware Water Gap. CD Ch. Eastern Waters Damara's Aloha made legs at Monticello, Trenton, and Plainfield. Bred, owned, trained and handled by me. We went through to this title in a bit of a hurry, because Aloha was bred; and on June 26 she whelped a litter of ten (6 boys and 4 girls) so I'll be staying at home for awhile. These two ambitious retrievers live with Janet Horn.**

Bushmills PT Barnum and his sister Bushmills Locomotion, 14 months of age, owned by George M. Bush and Elissa Kirkegard are now official trackers. On September 25 at Allentown Dog Training Club Tracking Test both boths passed, and why not, these young dogs are the offspring of Lisa's home bred black Lab "Bodie" TD.**

*Retrievers are really out doing their thing. Joanne MacKinnon's Goldern Retrievers WCX "Piper" earned her title at Lenape Golden Retriever Club in September and "Major" put a leg on a CDX.**

*Paul Harris and "Damon" (Springer Spaniel) who recently joined our Club after attending our 1983 TED was Certified and entered Allentown's tracking test. They had tough luck when they crossed a ground hog hole who's resident must have been at home making faces at "Damon". They are entered in Berk's County for another try. Good Luck Guys!**

*Following the advices by Lisa Kirkegard in our May-June issue, Peg Forte's Bernese "Quilla" has been progressing nicely despite dry conditions. They are hopeful of earning a "T" before the end of the Fall. **

Tim and Marie Riley have moved near Camden this month. They aren't too far from Charlotte so maybe Tim will get out tracking.

FLASH, Quila was certified on October 4th at Tinicum Park, PA. under Judge Lisa Kirkegard. Quila (Peg Forte's Bernese Mountain Dog puppy) is on the waiting list for the Town & Country Tracking Test for October 22nd and is in the Port Chester test on October 29th.

GOOD LUCK to all who are entered in tracking tests and other competition.
