FROM THE PRESIDENT'S DESK:

This year for Lenape is extra special. This year is the 10th Anniversary of Lenape Tracking. I believe that considering the type of club we are and the logistics of our members, that it is quite an accomplishment and quite an honor to the founding members (a number of which are still very active.) To celebrate its' 10th Anniversary, Lenape will be holding a party dinner on June 29th at the Coach and Paddock Restaurant near Clinton, N.J.

At this party we will present the awards usually given at the March meeting. We want this to be a gala affair, so mark your calendar now, and reserve that date.

After our covered dish dinner/ meeting on March 23rd our next event is our Tracking Experience Day. Fran Wilmeth, our chairperson, has informed me that our members are contacting her and volunteering their services (good show, I knew you had it in you.) Finally some new faces (sorry old guys, we still love you.) Glad to hear things are going well.

Tracking weather is around the corner, the membership has reviewed articles on starting pups and older dogs, let's see if we can make 1985 a really extra special year with an outstanding record.

Although I have only been with Lenape since 1979 I feel good about what it has given the tracking world over the years. I am honored to be its' President at this time and to be supported by such fine Board Members and Officers of the Club. I wish to extend my thanks to each and everyone of them. The club has continued and will continue because of their energies. It has been a pleasure knowing and working with them and hope to continue to do so.

Looking forward to seeing you at the dinners and at the Experience Day. Keep those feet moving (all six.)

PAT PAULDING

TRACKING TESTS

In each newaletter we print a listing of the upcoming Tracking Tests and TDX Tests that are being held in NJ or nearby states. This is just to give you an idea of when and where tests are being held and to whom to send entries. These listings are taken from the AKC Gazette, they are not always accurate and by the time we put them in the newaletter many have filled up.

It is difficult to get into a TDX test, even with the change in the rules. So if you are really anxious to enter, using the information in the latest AKC Gazette will get you the facts you need faster. In the case of TDX tests it is helpful to have an idea of when they are usually run and be prepared to send in the entry as soon as the test is listed in the Gazette. Good Luck!

FINAL DUES NOTICE TO 1984 MEMBERS

IF YOUR MAILING LABEL HAS A BLACK DOT ON IT YOU HAVE NOT PAID YOUR 1985 DUES YET. WE NEED THEM PAID BY APRIL 30TH. We are making big plans for the 10th Anniversary Party. We must know how many members we have by April 30th. Forms are in your last two Newaletters. SEND THEM TODAY !!!!!

April 27, 1985

Dear Trackers:

Welcome to the rest of your life! Yes, that's what tracking can be to you and your dog.

It can bring you stronger muscles, more agility, better health and happiness. It can show you the great outdoors in all weather and all seasons. When was the last time you took your dog for a walk at six o'clock in the morning? The world is beautiful at that time of day!

Provided you use the Glenn Johnson method of tracking training, you will be able to teach your dog to track reliably and with enthusiasm. And you will learn to read your dog.

You do not have to get out everyday with your dog on this program. Most of us have to go to work and we can't get out everyday..... all you have to do is stick to the schedule when you do go out.

It may take you three months or three years, but you will eventually succeed. And you'll have a wonderful time doing it.

Lenape Tracking Club offers follow-up tracking days for those who participate in this Experience Day. By all means, take advantage of them and bring your dog out for further instruction and review.

The best thing about the follow-up days is that experienced trackers are always on hand to observe and help you and your dog. If they spot potential problems, they'll tell you so and help you avoid them.

Remember that anything worth having is worth working for and a T.D. is the greatest. So, get your tracking shoes on, grab your canine partner and get out in the open. It'll do you both good!

Good luck and call me if you have a problem.....or if you just want someone to listen to your frustrations after tracking in the rain without raingear!

Best wishes,

Charlotte Schwartz

FOUNDED in 1975

The Lenape Tracking Club, Inc., with activities being held in Hunterdon County in western New Jersey, was formed in June of 1975 by a small group of people interested in tracking. Membership has grown beyond 60 the past few years.

Our purpose in forming the club was to do all in our power to assist people in training their dogs in the sport of tracking, to encourage sportsmanlike competition in tracking tests and to sponsor educational programs of interest to tracking enthusiasts.

Each Spring since 1978 we have held a Tracking Experience Day introducing beginners to tracking. Monthly thereafter follow-up sessions are held where experienced members support and encourage these new tracking teams. To further its goals the Club holds certifying matches, officiated by an AKC judge, simulating actual tracking trial conditions.

Club members work together in pairs and small groups throughout the year to train their dogs to track, encouraging each other when they have problems and cheering each track well done.

A Newsletter, "COMMON SCENTS", keeps our members informed. Each year we hold a dinner during which we present awards to each dog-member team earning a TD or TDX anywhere during the previous year.

All areas of scent work are of interest to our members as shown by programs that have included; Search and Rescue Dogs, Narcotic Detection Dogs, and Police Canine Work. Occasionally we participate in scent hurdle races.

In the fall of 1985 we joined with the West Jersey Canine Search & Rescue to sponsor presentations of a survival education program for children, called "Hug-A-Tree." Volunteer, trained presenters give the program free of charge to schools in Western New Jersey.

Lenape Tracking Club, Inc. is looking forward to a very active and productive future. We can be contacted at Box 315, R.D. # 1, Sliker Road, Glen Gardner, N.J. 08826 201-832-7231
