## President's Message ....

**TED** is being held on Saturday, April 8<sup>th</sup> this year. **Barbara Greenfield**, VP & TED Chair needs your help to make our seminar a success. She will be calling you, but it would sure make her day if you would call (973-696-8787) or e-mail (beegee52@juno.com) her that you will be available to help that day.

A flyer for **TED** is in this newsletter. We encourage you to make copies to give to your dog friends who haven't discovered the sport of tracking. When you make the copies, be sure to copy both sides, so they have all the information.

Each year this event introduces 24 + people and their canines to our sport of tracking. The income from this event is what enables us to hold our Certification Workshop and Test each year. As a helper you get a free lunch and the opportunity to review the TED material.

The lack of participants calling in caused us to cancel the **Training Session** in January. For February, we are scheduled for 2/13 and we will include the cold weather tracking along with TDX starts at that time. The flyer for this session is repeated in this newsletter.

A **General Meeting and Program** are also being held on February 13<sup>th</sup>. That information is also repeated in this newsletter.

The **Calender** in this newsletter includes all the training sessions dates for the year. The dates for the Certification Workshop and Tracking Test are also included. We put the calendar in each newsletter so you can plan ahead. As more events are available to we dog people we often need to make choice. We hope our members cwill choose to put Lenape at the top of their list for at least one event this year.

In the last newsletter I thanked **Janet Horn** for being our newsletter editor. At the time I wrote that I did not know her move to VA was happening so soon. The logistics of having the Editor so far away means we are now looking for a new Editor. It is only 6 issues a year and much of the writing is done by others. The Editor organizes it, get the copies made and does the mailing. Interested in taking over this job? Contact any board member.

Our **ANNUAL BRUNCH** is being held on March 26<sup>th</sup>. The Flyer with the reservation form is included in this newsletter. Come and enjoy our program, good food and good friends. It looks as though only one members' dog earned a Tracking title this year. But we know that many others are ready and more have the potential. So let's make 2000 the year more of our dogs earn those Tracking titles.

As I write this on Groundhog day, my wish is that as you track in 2000 you do not fall into any opf their holes.

*Peg Forte*

#### Directions:

From the East: I-78 to Exit 17 (Route 31 North). \* Take Rt. 31 north - as you approach the second light, stay to the right as jug handle takes you off onto Route 513 at the 513 - Grayrock Shopping Center - at the STOP sign turn right and note mileage at this point. Follow Rt. 513 to and through High Bridge. Shortly past Voorhees High School, turn left onto Rt. 628. There is an old, unopened Sunoco gas station on the corner. This turn will be 3.9 miles from the light on Rt. 31. Follow Rt. 628 to full stop at Hill Rd. Turn left. Watch for brick buildings on the left - first a firehouse, then the Municipal Building, then the First Aid Squad. (Total mileage from light on Rt. 31 is 5.7 miles). Park in the rear of the buildings.

From the West: I-78 to Exit 15. Right at end of ramp. Take Main Street into the town of Clinton. At the light in the center of town, turn left onto Halstead Street (Route 513). Observe the speed limit here! Halstead will end at Route 31 where you turn left and will be at the first light. Follow directions above from \*
